

The Gift of Men.

THEODORE ANDOSEH

2016 – PRAYER AND FASTING CRUSADE
CHRISTIAN MISSIONARY FELLOWSHIP INTERNATIONAL - KOUME / BERTOUA

- *If you are a man, male, come and thank the Lord because you are in the ministry that Jesus wanted you to be.*

Men don't pretend about food, so when men fast, it is God at work.

- *Some sister should thank God for God at work in our ministry.*
- *Let's thank the Lord for an increasing number of leaders in our ministry who are fasting, praying and mobilising people to do so, while they are also at the place of prayer praying.*

Praise the Lord!

Yaoundés the first born of our ministry, we better not lose it.

- *Ten people to thank the Lord for the increasing participation of the different centres at the prayer nights and the on-going disciple making.*

Dieu a béi tout ce que Joseph touché ait

God bless everything that came under Joseph

God was with him; God bless what he touched and God bless everything that was placed under his responsibility.

The Bible says: immediately Potiphar appointed him, everything that was under him changed. Even what he was not touching directly. Just that it was under Joseph, God came into it.

God was with Joseph

God blessed everything he touched

God blessed everything that was under him.

So, his boss, just for his personal prosperity, knew that the government of Joseph was better than his own government. He just removed everything, except his food, the only thing he did not remove was his food, it was Joseph who added his wife above.

Are you like that?

Have you ever asked whether God is with you? Whether what you touch work? And what is placed under you is blessed? Does blessing follow you?

- *If you see the blessing of God on you, come and thank God.*

If it is not obvious that the blessing of God is on you, it is because of the first element: God was with him.

God is hunting for people to stand with. So God does not be to be woe, if there is no evidence that the hand of God is on you and on what come under you, it is because you don't walk with God, or you are not in the centre of God's will for your life, or your inner condition does not correspond with what you claim to be.

Many things go wrong when people become disloyal, their historical relationship abide but their hearts have changed, and when the heart changes, the person who trusted

him, his things begin to spoil in the hands of that person. God is telling the other person: You are not what you claim to be. Your heart has changed.

There is a spirit, when your things spoil in the hand of a person, that person has written what is inside.

Quand tu marches avec Dieu, quand tu cherches à plaire à Dieu, cela affecte tout ce que tu touches.

Quand on met un pays sous toi, quand on met un département sous toi, ils partagent ta condition spirituelle.

1 Sam 18:12-16

12 Saul was afraid of David, because the Lord was with David but had left Saul. 13 So he sent David away from him and gave him command over a thousand men, and David led the troops in their campaigns. 14 In everything he did he had great success, because the Lord was with him. 15 When Saul saw how successful he was, he was afraid of him.

NIV

Your leader can demote you, it will not take God away from you. This hunger for favour, please, if you don't have God, it is not because you did not find favour before a leader to promote you. Even a demoted David still have God and it showed.

1 Sam 18:28-29

28 When Saul realized that the Lord was with David and that his daughter Michal loved David, 29 Saul became still more afraid of him, and he remained his enemy the rest of his days.

NIV

The presence of God can make some people hate you for ever, while it makes some people love you. One of the people who was very happy to see the evidence of God on him was Ezra.

Ezra 7: 6

This Ezra went up from Babylon; and he [was] a ready scribe in the law of Moses, which the LORD God of Israel had given: and the king granted him all his request, according to the hand of the LORD his God upon him.

C'est la bonne main de l'Eternel qui donne de bons Co-ouvriers

Fasting is to have God's hand, instead of turning to provisions and governments, they decided to fast to have God. He was ashamed to ask help. Many of our believers are not afraid to ask the government help. .

Esdras 8:31

Esdras lived the consciousness of God's hand on him and on his ministry. He was like a biologist with a microscope to see God and to see and hand of God in his life, in his ministry.

David had God. Saul saw it and was afraid.

Joseph had God, Potiphar saw it and promoted him.

We promote people who flatter us, we don't promote people who have the evidence that God is with them, that is why we spoil the ministry, that is why we are deceived. If we looking for those who walk with God, under whom there is evidence that the hand of God is on them, we will make fewer mistakes about importing backsliders to hold big office, godless men with the Spirit of God and give them high appointment for which they can do nothing, that they will only spoil. They are educated, they have gifts and we are flattered by what their lives promise, not by what they are. Just like most girls, they believe that if a man works in a bank, they have security, what a lie! Who told you that a man who work in a bank is good, who told you that there is security? You have run away from that missionary who could have brought his little allowance at home. He is not what he promised, it is ultimately what he is. Somebody can have little and give you his heart, love you with all of his heart till the end of the day. Another one can have six digits' salary and give you nothing, not even for your old mother. You enter his hands believing that you have a future. You will live not with his salary, but with the kind of heart he has.

Co-workers comes from consecration to God.

If the leaders were looking for co-workers who have evidence that God is with them, our ministry will not make so many mistakes. We have put the ministry into the hands of intellectual and wealthy men who don't have the consecration to pipe what they have into the vision.

C'est la consécration qui connecte, canalise ce qu'un homme a ou est à la vision.

- *Some people to come and thank God on their lives and on their ministry.*

The biggest protection that a leader needs is lovers.

If there is a leader you love, apart from raising prayer for him, raise lovers. People who love him.

That is the biggest protection humanely.

If there are people in your life who always notice your mistakes, or are reserved or always question what you are doing, on whose eyes you are on trial, so that if you succeed they will accept you, if you fail, they will go, if you know such people, even if you have to bribe them to get out of your life, do so. They are worse than demons, they are kingdom's weakeners.

There are some people you must not keep in the kingdom; they are people who despise you.

David told Solomon "this people despised me, because of a moral code, I could not deal with them, I already had commitment with them, you don't, get rid of them". It is not everybody that brother Zach left that I am supposed to be committed to them. I was committed to people according to what brother Zach meant to them. That is another lesson, kingdom' weakeners, people who made brother Zach's fail, such people are dangerous, we should treat them with politeness and pray for them so that God should bless them and they leave.

The biggest gift any leader can have is lovers, not those who use them, but who just love him, from the heart they love him.

You can admire somebody and not love him

You can acknowledge that somebody performance is excellence but not love him.

Let us bless brother Joe Bisong with loves, young one, old ones, men, women, especially women.

The love of women is vitamins in life, if you leave their body alone. The love of women encourages. It is not the love that test you, it is a love that is committed to pleasing. Even when men love you, their love is not committed to please you. They are committed to what you are doing, they are god's fathers of success, but not of your person. If you are lonely, you can't call you male co-worker to chat with them. No male co-workers will ever dream of buying you an apple, it does not enter their head. But the love of sisters is not like that. 90% of their love is your person, they care. Lovers are a gift from God. Male, female, children, young, older people, they create an environment that does not use you.

The only people that you carry over in a leader's life are his lovers.

When Jesus was going, he left with his mother his lover - John and he left with John, his earthly responsibility.

God has in insurance for your human responsibility, Jesus had his mother, it was the disciple who loved him as he carried out the call of God on his life, it is to lovers that you leave your earthy responsibility.

Satan is committed to bring the love of money into our ministry from people who think that they know a lot about responsibility. God had no provision for you to fail in the call of God on your life.

The best thing that can surround a leader is lovers.

There are three rules I apply before I receive a gift:

1. Is the gift from a lover?
2. Is the gift and honorarium because this person obeyed The Word and it has changed him?
3. Does that gift represent a salary for something I have done? Is it reward? Is it an honorarium? Is it love?

If I don't see any of those three, i will avoid the person's gift because one day I will have to pay for it.

So, lovers are the safest people from whom a man can receive something from.

The gifts of lovers are the safest gifts.

Chaque dirigeant doit répondre à cette question : est-ce que je vais être aimé ou obéi ? Est-ce que je veux être craint ou aimé ? on peut avoir des multitudes qui nous craignent mais qui ne nous aiment pas.

L'onction de Dieu sur Saul amenait tout le monde à le respecter mais l'onction de Dieu sur David amenait les hommes à l'aimer. Qui veut avoir des amis doit être un ami.
