**2016 – PRAYER AND FASTING CRUSADE**  
CHRISTIAN MISSIONARY FELLOWSHIP INTERNATIONAL - KOUME / BERTOUA

- *At a personal level, come and thank God for what He has done and is doing in your life.*

Si tu n'as rien à faire qui rapporte financièrement, tu n'as pas de fondation pour être béni par Dieu financièrement. Plaçons-nous en position pour être béni par Dieu .

In the setting of goals and accomplishing the goals, there is what we call a performance coefficient, your performance percentage. Some people, after setting their goals, they accomplish less than 10% of all that they set, others accomplish about 15%, some accomplish 25%, some work and accomplish 40%. There are very few people who accomplish 70 to 80% and very occasionally do you find somebody who accomplish between 90 to 95% of their goal, God marks us and it is very simple. I have told the brethren how you can mark yourself:

Take for example, if you want to read your bible:

Goal:	4 times
Performance:	3 times
Percentage performance:	75%

Prayer alone - goal	4 hours per day
Performance:	Irregular - what you cannot account for, your performance is zero or if you are indulgent: 48%

Soul winning - goal: 100

Performance:	200
Percentage performance	200 %

At the end of the year, you summarise all the performances and divide by the number of subjects.

Just like in school, God does not promote those who fail.

Promotion in favour, in blessings, in Ministry, in leadership, in people, in many other domains, in power, in spiritual gift, in spiritual authority, promotion in impact, it depends on your performance, take your life and use it.

Le progrès intrinsèque et comme dans tous les domaines dans la vie, c'est ainsi.

Many people think that God handle our lives in an arbitrary way, He does not do so. God is a God of justice, He is a God of righteousness, there is no partiality with God. If somebody is faithfully following the goals that he set, even if he is not noticed by the leader, give him time, what he is doing will be rewarded by God. He says, "When you

give alms, don't let your right hand know, when you pray, enter in your room and the God who sees will reward you openly". What is God seeing in the secret of your life? What have you given God so that He can use it to raise you up and reward you openly. There is a God who rewards people openly for what such people have done faithfully secretly.

In the making of disciples, the disciple maker should have the goals of his disciple that he has established with God and at the end of the year, have the report to see whether his disciple has been faithful, that is the purpose of giving accounts, and this is how to make disciple. Disciple making is getting somebody to make spiritual progress in a clear and orderly way, so that he can give account of his life. So, all this matter of "making of disciples", there are very few people who are making disciples.

If God bring us back to the making of disciples, we will transform CMFI into something that the world has not seen. Men who have intrinsic, solid and who are worth their weight in God.

- *Pray that God will bring us back to sober evaluation of our performance, so that leadership, promotion will be based on righteous values.*
