### *Phil 1:20-26*

*I eagerly expect and hope that I will in no way be ashamed, but will have sufficient courage so that now as always Christ will be exalted in my body, whether by life or by death. 21 For to me, to live is Christ and to die is gain. 22 If I am to go on living in the body, this will mean fruitful labor for me. Yet what shall I choose? I do not know! 23 I am torn between the two: I desire to depart and be with Christ, which is better by far; 24 but it is more necessary for you that I remain in the body. 25 Convinced of this, I know that I will remain, and I will continue with all of you for your progress and joy in the faith, 26 so that through my being with you again your joy in Christ Jesus will overflow on account of me.*

*NIV*

The only way to handle your life very well, is to have a purpose, so that your life as you live it is measured in units of your purpose. Is your life evaluated in units of time and years? If that is all, then you are just a brother of a dog. What is the difference between you and the chimpanzee, it lives and the years go by. What are the units of evaluation of your life? If it is pleasure, the pleasure you will get from it, you go from one pleasure to the next, the pleasure of alcohol, the pleasure of sex, the pleasure of a lot of wealth. Anyway, who have seen a dog that is happy? If all you are looking in life is a pleasure then you are like a dog. Wealth can be measured in terms of money, but your life, what are the units which when gathered together will constitute your life? Each one of us need to have purpose in his life, direction in his life, so that as you advance towards your goal, it becomes the measure of your life. In that way you have a clear past, real present and a definite future, otherwise, you will be like that person in the village, or you will be like the friend, your whole life, you will seek to be a photocopy, your life is just going through a photocopying machine, to come out as a photocopy of the life of somebody who has a life, you are somebody's shadow, your name is then the photocopy of the person you envy. What is the measure of your life? What are the units of measurement of your life? The person who wants to be rich, when he has 10,000, he has added a unit to that which has a purpose for him.

Paul has a purpose in his life. He was saying: If I live, it is to produce fruits in my service for Christ. If I die, it is to meet the One I love the most. Death gives me a relationship, life gives me fruits. He summarised his whole life saying: for me to live is to produce fruits, I want to accumulate fruits. He had a sense of direction. For him dying was drawing closer to the one he loves. The gain in death for him was relational fulfilment, because he believes in resurrection, there was something that continued after death: relation with Christ. It was with great anticipation that he looks for after death when the Lord will tell him: Well done, good and faithful servant. He dreamt of the pride he will see in the eyes of the Christ when anybody looked at him. He said it is not because I want to die, I have zest for life. I love my life. The apostle Paul was saying: my life has purpose, my life has units of purpose, the opportunity to work and produce fruits. You, you run away from work on its part, he looks for work to do for his Lord, to give a sense, weight, identity, definition for his life. You, money you love but you don't have, you, even school, you would have wanted to be a well-educated person, but there you are in the hall with me, it is already too late. You are stuck where you got too, you may even be going back.

What is the measure of your life? for Paul, it was fruits. For the apostle Paul, it was frits.

If you want big appointments in life, you have not yet even succeeded to be appointed the chief of our village, even quarter head and you are already 50 years old, when will a title be attached to your name, in what units will your life be evaluated?

What then is the measure of your life?

What would give purpose, a sense of direction to your life that a dog doesn't have?

What gives purpose to your life that the unbelieving girl does not have?

You have built a house, have unbelievers not build houses?

Paul had a measure for his life, and it helped him to manage his life, each year, he could plan how much frits and how much fruits to acquire. Each year, he could dream about what he will accumulate for our Lord, he had someone to please.

Brother Zach used to title his goals: Serving the lord Jeuss in 2009, that is what it means to establish goal, it is what we want to gather, to bring in for our Lord, it is what gives sense to our life, it is that with respect with which we want to measure our lives.

What are goals? What give sense, what gives purpose to my life. The measure of my life. For the apostle Paul, he had something that death could take away from him, that death could not touch, a joyful relationship with the Lord Jesus and a life spent, poured out to please Him;

And you?

Twenty years ago, I was very rouble, I want to pray, win souls, I asked myself, what is the measure of my life? After a long time, I began to ask the Lord: yes I will serve brother Zach, want him to succeed, I want him to succeed in his personal life, I want his family to succeed, i wan this ministry to succeed , I want his work to succeed, I want his profession to succeed, i want him to succeeding Yaoundé Etoug -Ebe, Cameroon, Africa, In our generation, I want him to succeed in the heart of God, I want him to succeed in leadership, I want him to succeed in eternity, I want him to succeed in the kingdom of God, I even had wild dream, since the Lord Jesus said the person who will sit at his life of right hand are still vacant, I say I can pray that brother Zach will get there. There are vacancies sin the kingdom. I was already disqualified, people like me, before believing, I had already commit masturbation, chronic lust, it's been a long journey, but God finally told me what I must bring: he told me: bring the men who will accomplish the vision. That is what the meaning of your leadership is. Bring the men to accomplish the vision.

If Esther bring the prayers, if Ruth and the others bring the fasting, bring the workers, as Theodore, not as leader of CMFI. So, every year, I cry: Oh Lord, give me new workers for the vision, give me new leaders, give me new ministers with distinct gifts. When I visit churches, the frits I look for in all my ministry, are more people to accomplish the vision.

My goal is to get a million workers of distinction to accomplish our vision;

I wish some people will bring a million fasts of 40 days

Some should bring a million sums

Some should bring a million fast

Why don't you bring a million hours of prayer?

Why don't you bring a million topics of prayers of consequence?  
So, that you can start counting?

I don't know what to choose, death comes, I win, I live, I win, satan cannot find something with which to punish me. That is the blessing of a goal. That is what God gave us with many teachings which we have despise. The Bible says: Jesus for the Jesus that was before him, endured the cross, despising the shame, for the joy that was set before him.

Even the management of the present is rooted in the vision of the future. The sense that your circumstance, even the measuring of your life is tied to how they relate to the future.

Where does your world begins?

Where will our world ends? You do not know what is beyond the day you die. What is your life? A summary of etc.

- ***Thank God that we are a community that has been taught on goals.***

Goals was invented to give you an identify, to give you a base for a relationship with God, to give you material with which to sow your destiny, to give a material for a purpose.

What is your goal?

What is the measure of your life?

What units can your identity be broken into? Measurable units?

- ***Thank the Lord for being a community that has been taught on goals.***

"For me, to live is Christ, if I live, it is a chance to have fruits. If I die, a chance to enjoy the one relationship of my life". Oh, that is joy.

Jesus, because of the cross placed before him enjoyed the cross.

The cross brings joy to those whom lives have a meaning.

- ***Pray that the leaders in our ministry will set goal with joy according to the call of God on their lives.***

What I am supposed to do for my contribution for the success of our goal, the Lord old me, there are nine period, give me nine projects. I have nine projects to accomplish.

1. 40 days in retreat to seek God, to pray, to wait on God, to watch over the work
2. 40 days of prayer and fasting crusade in October-November next year because prayer defines us. Every leader of CMFI will end his life as an intercessor.
3. Evangelism is the way of revival in CMFI.
4. 40 days of coordination. A leader must invest into coordination; coordination means harmonising with the others what is being done for the accomplishment of the goal.
5. I must invest my distinct ministry for the accomplishment of the vision, so I have 40 days of raising human resources for the vision, that is what I do when I teach

the camps., and that is what I do when I teach the students, I am investing into the vision, not to the work. The vision is broader than the work.

6. 40 days to invest into leadership training in the WUPF.
7. 40 days to invest into the Work in the teaching of missionaries in the SKSG
8. 40days to build the base in Cameroon
9. 40 days to pursuit the goal in strategic nations

And for next year, the work in Cameroon is beginning to take off, I want the surrounding work to take off, so I want to stabilise the CEMA nations, so I am calculating 40 days.

Your life is not like my own.

There is a law in the setting of goal, God reveals his will to those who will do it. If you go to seek God's will and God put something in your heart, by whatever means, whether he put a burden on your heart, or he speaks to you in your spirit, or he commands you through an authority that you have established before Him, a human authority, by whatever means He speaks to you, if after that, you don't do it, when you come back to ask him his will and in any other thing, you are on your own.

If God put a good thing in your heart to do and you don't do it, you will not know His will.

If God put a burden on your heart and you don't do it and you believe that if an angel appears to you, you will do it or you will obey, then you don't know spiritual things, you will not do it.

Whether God choose to stir your heart as he did for Cyrus, so all the stirring of heart that people quench because they wanted God to speak to them clearly, you will continue in your darkness, you don't want to do God's will, you are interested in building up a spiritual CV of the ways that God speaks to you.

Too many people despise when God speaks to them. They want to obey when God speaks in a certain way, it will never happen. If anyone wants to do God's will, he will know. How God allows you to know, it does not matter to God, as long as you already know; if you don't do it, you have taken your own personal diving into darkness. If you leave here and God stirs your heart, "give this brother 500F" and you don't do it, He will not do it again; he will not stir your heart again. You have lost one of the ways by which God speaks, through the lordship of the Spirit over your heart. Many people have close the voice of the Spirit by multiple disobedience, while they believe that they will obey if God speak to them clearly. God is interest that you do his will than hear him. Who's Will is it? It is his will, he is the One who wants his will done. Don't make as if you want him to give you his will and he is not doing so. If you don't know his will, you have a story of disobedience, you are searching him from outside while you are the temple of the Holy Spirit, you don't want the inner leading, you want the sensual leadings. You are not interested in God's will, you are interest in nourishing your pride, that is where many have lost their walk with God.

- *Pray that many brethren will repent about the layers of resistance they have built on their heart and that render the voice of God so difficult to perceive.*

Nothing is easier to know than God's will, for those who want to do it. If you don't know it, something is wrong with you. If the ruler is crooked, it does not matter whether the line is straight, the instrument itself is wrong, the calibration is wrong, all that it measures is wrong, that is the state of human conscience.

When the human conscience is wrong, all that it receives, any revelation you receive when you have bitterness in your heart, the instrument is wrong, all that you have receive plus you yourself are wrong if the light in you is darkness, how deep the darkness is. It does not matter whether it is visions you have.

Ta conscience est l'instrument pour connaître la volonté de Dieu. Quand il y a quelque chose qui rend ta conscience souillée, tout ce que tu reçois est faux. Quand la lumière en toi est ténée, c'est -à-dire ta conscience, tout en toi et tout ce que tu recevras ne sera que ténée.

Dieu te livre à ton cœur. Il y a quelque chose comme Dieu qui livre les gens à leur cœur (Dieu parla à Balaam en fonction de la condition de son cœur, il aimait l'argent - Dieu va te parler mais tu prendras ce qu'il dit en fonction de la condition de ton cœur - c'est Dieu qui parla à Balaam.). Si tu ne peux pas avoir juste un cœur qui est honnête et bon. Pour un cœur qui est honnête et bon, c'est facile. Si il veut connaître, il saura. Ce n'est pas seulement le diable qui va te parler, tant que ta conscience est mauvaise, même si c'est Dieu qui parle, tu es en erreur.

Chacun de nous sont comme des radios, Dieu est au ciel en train d'émettre, ceux qui sont en phase avec lui capte sa volonté pour ceux qui ne sont pas en phase, il y a bouillage. Si ton cœur devient comme celui qui émet, tu entends. Pour avoir la volonté de Dieu, on ajuste le récepteur et c'est toi le récepteur. Si le récepteur est en bon état, on capte la volonté de Dieu.

If you want to do God's will, you will know, in every domain where you are surrender, God's Will will be known. In every domain where you are not surrender, there will be the clash of wills, you will enter into confusion. Confusion means there is more than two alternatives. Each of the alternative comes from the person present in you, you, God, satan, your parents, the world. What we the brethren call confusion are the indications of the domains you have not surrendered. In every domain where you have surrender, Jesus said: if your eyes in single, all your body will be in the light. C'est l'abandon à Dieu, de sorte que tu n'as qu'une seule volonté. Dans tout domaine où tu es comme cela, tu connaîtras la volonté de Dieu.
