THIS DOCUMENT IS A SUMMARY OF THE PRAYER NIGHT OF THE 06<sup>TH</sup> NOVEMBRE 2015

## Sister Emilia TENDO/Sister Henriette MBARGA

### Songs:

- Chantons, chantons sans cesse
- O Quel bonheur de le connaître
  
- Let's thank the Lord for this 3rd night
- Let us thank the Lord for the growth in the knowledge of God we've received.

### Philippians 1:9

"I pray that your love for each other will overflow more and more, and that you will keep on growing in your knowledge and understanding".

- Could two people thank the Lord for the growth he granted us as well as in knowledge of God and understanding of the ways of God and in love for the Lord and in love for the brethren.
- Could two people thank the Lord for our wonderful salvation.

### Hebrew 10: 1-22

1 The old system in the law of Moses was only a shadow of the things to come, not the reality of the good things Christ has done for us. The sacrifices under the old system were repeated again and again, year after year, but they were never able to provide perfect cleansing for those who came to worship.

2 If they could have provided perfect cleansing, the sacrifices would have stopped, for the worshipers would have been purified once for all time, and their feelings of guilt would have disappeared.

3 But just the opposite happened. Those yearly sacrifices reminded them of their sins year after year.

4 For it is not possible for the blood of bulls and goats to take away sins.

5 That is why Christ, when he came into the world, said, "You did not want animal sacrifices and grain offerings. But you have given me a body so that I may obey you.

6 No, you were not pleased with animals burned on the altar or with other offerings for sin.

7 Then I said, 'Look, I have come to do your will, O God— just as it is written about me in the Scriptures.' "

8 Christ said, "You did not want animal sacrifices or grain offerings or animals burned on the altar or other offerings for sin, nor were you pleased with them" (though they are required by the law of Moses).

9 Then he added, "Look, I have come to do your will." He cancels the first covenant in order to establish the second.

10 And what God wants is for us to be made holy by the sacrifice of the body of Jesus Christ once for all time.

11 Under the old covenant, the priest stands before the altar day after day, offering sacrifices that can never take away sins.

12 But our High Priest offered himself to God as one sacrifice for sins, good for all time. Then he sat down at the place of highest honor at God's right hand.

13 There he waits until his enemies are humbled as a footstool under his feet.  
 14 For by that one offering he perfected forever all those whom he is making holy.  
 15 And the Holy Spirit also testifies that this is so. First he says,  
 16 "This is the new covenant I will make with my people on that day, says the Lord: I will put my laws in their hearts so they will understand them, and I will write them on their minds so they will obey them."  
 17 Then he adds, "I will never again remember their sins and lawless deeds."  
 18 Now when sins have been forgiven, there is no need to offer any more sacrifices.  
 19 And so, dear brothers and sisters, we can boldly enter heaven's Most Holy Place because of the blood of Jesus.  
 20 This is the new, life-giving way that Christ has opened up for us through the sacred curtain, by means of his death for us.  
 21 And since we have a great High Priest who rules over God's people,  
 22 let us go right into the presence of God, with true hearts fully trusting him. For our evil consciences have been sprinkled with Christ's blood to make us clean, and our bodies have been washed with pure water.

We shall continue to proclaim that truth in a hymn.

Hymn :

- La Nouvelle Alliance
- Les Noms du Seigneur Jésus
  
- Let's together thank the Lord for the precious gift of Jesus.
  
- Une boule de feu dans le ciel
  
- Take the hand of your brother and thank the Lord for him, one of the gift that salvation brought: a brother, a sister
- Tell your brother, you are being transformed from one degree of glory to another degree of glory to the image of Jesus. It is a fact.
- Thank the Lord with your brother, for having blessed you to work together in the same ministry. God has a field of work for those of us in CMFI. Every group of believers represent God's field. We have our field, your brother is your co-worker in that field.
- Together, thank the Lord for the ministry God has given us. It is a ministry by instructions. And we have instructions telling us what we have to do and the method. We are not just converted to be forgiven of our sins and go to heaven, there is a work that we must do.

Letter of the fast:

From : Please join me.... + prayer topics

- Let us thank the Lord because the things we are lifting up to God during this prayer crusade are very clear. All these things have one objective : to make sure that we accomplish the goal has given us to do. We as God's co-workers.

Ezekiel 36:37-38

"This is what the Sovereign LORD says: Once again I will yield to the plea of the house of Israel and do this for them: I will make their people as numerous as sheep as numerous as the flocks for offerings at Jerusalem during her appointed feasts. So will the ruined cities be filled with flocks of people. Then they will know that I am the LORD."

God want to do something he reveals it to his people, then the people have to ask him, that is what that verse says.

## BROTHER THEODORE ANDOSEH/BROTHER ARMAND AKAMBA

- I want 100 people to stand up and thank the Lord for one thing the Lord had done in their lives.
- If you are fasting, I want you to line up and ask God one of your personal burden during this fast.

Many people, their requests are very vague, in preparation for this fast, I wrote out 100 projects, of what I want God to do for the ministry, according to what I know to be God's will for our ministry. I will pray for it during this fast and after the fast, I will work on them, so that God may answer us. During the fast, what I prayed and fast for, after the fast, I plan my program to work because I believe that God has answered, I work then for God to give me the things I prayed for, if not the fast is wasted. By the time I started this fast, I was tired, because I worked hard on the things that I fasted and prayed for last year.

I have also worked out 100 projects of what I want to happen to me and my spiritual life for the next three years. That is what I will be praying about, and then I will work at it and when God blesses me with lovers, I will commit to them either to serve me or to help me by carrying one of those aspects.

I don't want to waste my time, I don't want to waste my money, I don't want to waste the people God has given to me. If somebody wants to love me and wants to help me and is committed to serve me, the person should ought to know clearly what he is to do, if I am myself confused, is it those who love me who will know what I want for me? So I have to ask, what does God expect from me, as far as I know now? I have to ask: what are my responsibilities as I know them now?

What many of you are praying for, are very confused. It shows that you have not thought very clearly what you want to ask from God, and so your lives are confused.

In order that my life may not be confused and that our ministry will not be confused, I had to ask God: What do You expect from our ministry? And then I have to understand it very simply, and bring it down to how it could be done and not leave it (dans un état flou). I have transformed God's will as I know it into simple projects, so that I can obey. How can you obey some general thing.

Let me give you an example: in September, according to my plan, we were to fast this fast in October, so that I can finish in November because I was planning to travel to India in December, but in Gabon, the Lord told me, you

are pursued opening new territories, you have strengthen Cameroon, you have pursued giving a future for the ministry, but you have not invested in the vase, don't start the fast in October, strengthen the base, that was he instruction. What has it meant? It meant 21 projects for me in the month of October

- A prayer siege of 12 hours with the mass praying in Headquarters
  - Retreat with the senior of 48 hours
  - A prayer siege with the World Conquest Prayer and Fasting Centre for 48 h
  - A prayer retreat with the Bertoua house for 48 hours
  - The graduation for the School of Knowing and Serving God
  - The missionaries sendoff of international missionaries for Headquarters
  - The campaign in Tigaza
  - The campaign n Belabo
  - The campaign in Gosen
  - The campaign in Mokolo
  - The campaign in Abong Mbang
  - The campaign in Dimako
  - The campaign in Ndiang
  - The campaign in Tongo Gadima
  - The campaign in Ntindamba
  - The campaign in Coumbo garage in Nkolbikon
  - The campaign in Elevage
- Those are some of the project

- Buying a stable pomp for water in Headquarters:
  - 3. About 5 sums for finishing of the dormitory
  - 4. I gave some money to Ginette to improving the hope clinic, so it also include financial
- For me, it meant
- Money
  - Praying
  - Evangelism

Something you can obey.

Then something I cannot put into words: "The ministry of presence."

I have rebuked many people, I almost dismiss the director of ZTF school

I have had time to see those who have backslidden

Because, when a leader is not present, many people take the opportunity to do many things. When I am around, I can see those who are unfaithful.

When you receive instructions, you must bring it down to what you can do so that you can obey, if not your life will just be noise. Bring it down to what you can do, if not you will waste your life. I see many people every day, and they bring all kind of problems, if I do not walk on the call of God on my life, to be abreast in obedience, I will spent my whole life being a muslim lamido, just sitting there in a palace and waiting for people to come for me to work.

A man should ask: Where did I set out to go?

On peut faire beaucoup d'activité tout en n'allant nulle part.

Il faut planifier les projets.

Il y a des gens qui se trompent, ils pensent que si tu les aimes, ça suffit pour eux, pour eux tant que ton visage n'est pas froissé contre eux, ça suffit.

Au juste tu es venu dans le ministère pour faire quoi? Et tu es entrain de faire quoi maintenant?

Let's pray that the brethren will plan what to carry in the fast

I am sharing that in November, December, the 40 day fast, the 400 hour sprayer crusade. I plan the projects for next year, so that I raise them to God. And for this fast, I have planned the project for the next three years, because I have found that for me, planning for every one year is very strenuous. I completed my program for October crawling. No appetite for food, restlessness even when sleeping, every phone call like a terrible threat ,since most of my phone calls are never good news. So I planned for three years.

In the goals that concerns the ministry, I am planning for 10.000 people working. So when you see the goals, don't just think that I am a mad man, because that one is planning as a leader. You estimate the number of genuine co-workers and then you look in the spirit to see what God wants produced.

In our ministry, for us to get to 1 million, God must give us about 3 to 7 leaders of hundreds of thousands and that is where I have some of my conflicts. The most obvious leader of hundreds of thousands is Brother Jean de Dieu for Cameroon ministry, but an itinerant ministry, may destroy his leadership. He is not even aware of it; He may have some presence in East Africa, in Tchad, and he is a youthful man, he can do many things, but it will destroy his leadership. If he does not become a leader of hundreds of thousands, it will destroy our ministry, so the enemy is tempting him with smaller things, that look very pompous. We must have between 3 and 7 leaders of hundreds of thousands, and I don't see the leaders who are preparing for it.

I shared with the brethren in Douala that one of the law in leadership is that when you are a leader of 100 and you aspire to become a leader of 1000, you will not become a leader of 1000 unless when you are a leader of 100, you start behave as a leader of 1000 will behave. You must act your expected promotion in your present level. Act out your expected promotion in your present level of leadership. If you are at 100, and you want to get to 1000, you want to be a leader of 1000, the power for promotion, the potential for promotion lies in your "sitting down and asking : how do leaders of 1000 behave? How do you do it? You write down a number of leaders of 1000 that you know and then you look at them and ask? How do these leaders of 1000 behave? And you watch how you are behaving and then you change. You are prophesying in your own life. You are incorporating the next promotion in your present condition. If you do it, you will be promoted, you will grow, but if you keep behaving as a leader of 100, you will never become a leader of 1000.

If you are a leader of tens of thousands and you want to be promoted to be a leaders of hundreds of thousands, write down 10 leaders of hundreds of thousand you know and start behaving like them, if you do not incorporate into your present condition the aspire promotion that you are looking for you, you will

never grow. It is a principle of leadership that our people have not learnt. We function with smallness.

Yonggi cho is a pastor of 1 million. Brother Zach when to visit Yonggi Cho to see what they have done and to learn. I have to ask myself, what does a leader of 1 million people look like? How do they behave? Their principle work is what? How do they run their days? And if we are going to get to 1 million, I must be changing now and that is what I started.

All those meetings I have like ministry assistant, I am struggling to get a cabinet, get my ministers. To aspire to extensive leadership without a cabinet is madness, it is to end up just being "a beti man". To be so anxious to control things yourself that you don't know how to choose right men, and then you end up small, even with great abilities.

If we do not have leaders of hundreds of thousands, our ministry is blocked.

If brother Jean de Dieu does not aspire to become leader of hundreds of thousands and make room for young men to become leader of hundreds, then he has become an enemy to our growth and if he is to become leader of hundreds, he has to learn and the immediate lessons he has to learn is the capacity to work with other great leaders. You cannot lead hundreds of thousands of people alone.

There are four leaders of billion in our generation :

The president of China

The president of India

The pope of the Roman Catholic church

The Dalai Lama of the Buddhist movement

Islam does not have a supreme caliph That is what the radicals are struggling to produce. So our generation already have four leaders of billion. So if God tells brother Zach to aspire to be a leader of billion and small people of Cameroon says it is impossible, Islam was more than 1 billion Mohamed was a man, a trader. Just a trader, a trader has become the founder of a movement of billion. What is wrong with us? You cannot move ahead alone. You cannot become big alone. I must identify about 20 people with the potential to become hundreds of millions and build them, then together, we can have a work that goes into tens of millions.

In your planning, you should know clearly the next step in your promotion, so that you start praying and fasting, and working in that direction.

I had not intended to talk about planning but I wish you could pray, because you can do a 40 days fast and it does not amount to much. And what I am saying is not just for spiritual leadership. If you are a chief of service and you one day want to become a director, start while you are a chief of service to behave as a director. You will be the director that has not been appointed yet, it will just be logical that they would confirm you. And it applies in every way. If you want to get married, as a girl, then you ought to ask yourself: How do wives behave? How do wives talk? And then you change. It can shock you the small changes that are needed. If you ask that question, "If I was already brother Akamba's wife, how will I behave? You will not be laughing in public with many men as you do now. You will not allow many brothers to touch your shoulders as they are doing now. You will behave like somebody belonging to someone and I tell you, you will soon have a husband. Change before you enter the office that requires you to change. If you cannot do it, you are condemned to remain where you are. That is why many people are where they are.

I have read the biographies of the first 37 presidents of America, all of them. Why? I plan to be a leader. Those are not my only leadership's readings. I read about Business leaders, because the ministry is a big business. Since the 7 richest people on earth now are all in the domains of electronics.

Bill Gates

The man of Yahoo

So I bought the biography of some electronic wizards

Steve jobs

(inside the brain of Steve jobs

I don't want to do electronics, I am not interested in anything apart from the gospel, but I must plan.

I worked out nine levels of leadership since God has called me to leadership.

- Leadership in the church and the 16 bishops of the church in Yaounde
- Leadership in the ministry
- Missionary leadership - I have come back from being a missionary leader in Nigeria
- Leadership of the Work - that is what i am now
- Leadership in the nations - prophetic leadership. If I become like Zach Fomum with an unusual prayer life, walk with God, an unusual knowledge of God, I will bring a contribution to gods purpose in the nations. Prayer was the Zach Fomum DSC, so I know how to become like that. I call it leadership in the nations
- Prayer leader - Intercessory leader - because it includes prayer and fasting, and holiness - I aspire to become a world prayer leader.
- Revival leader.
- Leader of our Goal
- Zach Fomum, the generational leader of the 20th, 21st and 22nd century - Dynastic leadership - Make Zach Fomum who produce me, the generation leader of the 20th, 21st and 22nd century, if the Lord tarries.

Nine levels, I am at level 4

I have assignments at level 1, as a bishop of Yaoundé the goal we all embrace as bishops of Yaoundé must be accomplished, we urgently need 10.000 house churches in Yaoundé that is what I am pursuin g. \*i have my responsibilities as the ministry leader, Conquest of Africa, we must complete the missionary penetration of every African nations as a simple for world conquest.

As a missionary leader to Nigeria, I have an unfinished assignments, the planting of self-supporting churches in all the 37 states of the capital economic and the capital federal territory, leaving a network of 1000 local churches

As the leader of the work now, I am struggling to be an evangelist leader, in obeying Santa Cruz and in accomplishing phase two of our ministry. As an evangelistic leader, i have worked out about 40 goals,

- Personally preach in 1000 evangelistic meeting in 3 years
- Lead 1000 people by personal evangelism in three years
- Raise 1000 evangelists in our work

- Contribute 1000 churches in the red carpet project in the conquest of Cameroon  
There are 40 such projects, to be an evangelist leader
- Read 400 books on the gospel, healing, deliverance, church planting, miracles, mega churches,  
I have three more years to work hard in that domain and leave the ministry at over 1 million.

When I have finish that tone, I will start now working at becoming leader of nations, to have the spiritual authority of knowing god's mind and to have a work that is big enough to have people consult us. When we are getting to 10 million, we shall not be travelling form nations to nations, the nations will come to us, they will want to find out how we did it then we shall teach them how to pray, and recruit presidents in our World University of Prayer, that is what being a leader of nations looks like, when we shall have disciples that are ministers, presidents, governors.

I am working at being an evangelist leader, call it "Santa Cruz " leadership. Bring it down to down to earth. For example, if I am going to be a leader of 1 million people : practical implications:

1. There must be no big stomach
2. I must stop complaining, people expect leaders to have answers, not complains. The language of complaining must leave my mouth, I must be a positive impetuous. I should exert great positive force, not negativism, complaining, blaming, those are the syndromes for small people.
3. I have decided not to feel insults. If I am going to be a very big man, how can I allow myself to feel insults? If a missionary decides today that he is not part of my leadership and tells me "I am an idiot", if I want to be a leader, how can I be angry at him. How can I be angry at him for the small rebellion. - I have decide I will not allow any man on earth to insult me, i will not feel insult, because I have so much. The extent to which you feel insulted is the degree of your smallness. Why do we feel insult? Because we admit the truth that the other person is saying. The only part of insult that pains is the truth. If you are very rich and then somebody insults you "look at this church rat", will it pain you?
4. I have decided not to notice when people are exploiting me financially. Why? Because I am expecting that God will bless me so much. I believe that God will bless me so stupidly. So I better stop feeling when people are exploiting me. It is preparation for abundance.

Today start behaving like the one who already have God, like the one who have Jesus; who has the bank of heaven.

Take a new look at yourself

So during this fast, plan clearly what you must be and do in the next one year. Pray it through. As we give opportunity every night, pray it. And after the fast ends, plan your work in the direction in which you have prayed. Plan your work in the direction which you have prayed.

- 25 people to stand up and pray that the brethren during this fast will plan very clear things to raise to God during the fast. We are fasting for God's intervention.

If God were to come down, how will you know? Go and gather your own buckets to receive the rain from heaven. Oil will come from God, where are the oils and basins. God cannot give you the basin, God will give you oil.

For this night, those who come, come with ten topics of thanksgivings, things God has done this year, honest things. And work out 100 things or 40 things to ask God, big things, so that even if we don't pray for other things, just the opportunity to pray for those things will come you to come.

The goal of our fast is to ask god for the hand, the power and the presence of god in our work; the divine facto for the accomplishment of our goal. I have listed for myself nine domains in which I want God's Hand to come on our work. I am even asking God to appear to many brethren in our ministry, i want God to encounter some brethren in our ministry, that they will change so much that they will be a blessing for us.

We are fasting, if God were to ask us: You people want My Hand, you want My Presence, what do you want me to do for you?

Solomon answered, and from Solomon answer, the world changed: three thousand proverbs, one thousand songs, the distinct architect of Israel, King of kings. Solomon prayer request changed the world. Adonija prayer request killed him. He asked for another man's wife and died. Is prayer request killed him. Don't pray Adonija prayer.

God is asking , you people are praying, you want me to act, So what do you want me to do for you.

Answer it.

We need to build a World conquest communication Centre. It will include:

- Radio Voice of the Cross
- Radio Television Voice of the Cross
- World University of Prayer e-school
- School of Knowing and Serving God e-school, which the he Bible Correspondence course
- The Editorial Secretariat
- The recording studio
- The message laboratory

There will also be a multi-language simultaneous program of the radio programme

- A telephone exchange
- The missionary communication center (there will be about 50 computers connected to different regions in the world with web cam showing us what is happening in the different mission field.

It is a big complex

Welcome to prayer.

If the vision is clear, God will provide. The problem is that we want a lot of money, instead of clarifying vision. If the vision is clear, God will provide the money, the people that God has given to us will find meaning to their lives. You can have ten thousand people and not know what to do with them because you have no vision in which to invest them.

An SOS of prayer ought to get to the prayer center and all the house of prayer for all nations within 5 minutes, for the storming of heavens. Let us work because we don't have time.

Dr Ginette has started her hospital.

They have already hospitalized people.

The first lesson she has learnt is that "Hope clinic" cannot be runned by part time staff. The staff must be full time because the pressures are enormous.

Yesterday Brother Constant Yonke called me that we should pray for money for them to send the first container for Hope clinic. So very soon, like a joke, there will be four Hope Clinics.

You go and do something so you will bring us joy the way the other brethren are bringing us joy.

When vision is clear, god wil provide

Very soon we will have four hope clinics

Hope clinic Nomedjo

Bertoua has started

Kousseri is in project

Ye south sudan is in function and needs expansion

We need a missionary doctor to sent to Sudan to help brother Kiyingi because she is already over loaded. So four hope clinics in short time.

You have done well to come and pray with us.

Today it will be more exciting because you will be calling god for the things on your heart.

May the Lord bless you. Take time to rest today and invite many people to come. It is our prayer crusade.

Yesterday in Paris, they were 75 of them who were in the prayer crusade in Paris. Yaounde they are praying, Douala they are praying, Garoua they are praying, New Fundlands, they are praying, Edea they are praying and there are many other places where they are praying , Senegal they are praying, Kampala they are praying, Bujumbura they are praying. Even if you cannot fast, you will be bless. Connect.

God bless you.

May the Lord keep you.

But take time to rest physically today, sleep for at least two hours before you come.

Good day;
