Psalm 103: 1-22

1 Of David. Praise the LORD, O my soul; all my inmost being, praise his holy name.
2 Praise the LORD, O my soul, and forget not all his benefits--
3 who forgives all your sins and heals all your diseases,
4 who redeems your life from the pit and crowns you with love and compassion,
5 who satisfies your desires with good things so that your youth is renewed like the eagle's.
6 The LORD works righteousness and justice for all the oppressed.
7 He made known his ways to Moses, his deeds to the people of Israel:
8 The LORD is compassionate and gracious, slow to anger, abounding in love.
9 He will not always accuse, nor will he harbor his anger forever;
10 he does not treat us as our sins deserve or repay us according to our iniquities.
11 For as high as the heavens are above the earth, so great is his love for those who fear him;
12 as far as the east is from the west, so far has he removed our transgressions from us.
13 As a father has compassion on his children, so the LORD has compassion on those who fear him;
14 **for** he knows how we are formed, he remembers that we are dust.
15 As for man, his days are like grass, he flourishes like a flower of the field;
16 the wind blows over it and it is gone, and its place remembers it no more.
17 But from everlasting to everlasting the LORD's love is with those who fear him, and his righteousness with their children's children--
18 with those who keep his covenant and remember to obey his precepts.
19 The LORD has established his throne in heaven, and his kingdom rules over all.
20 Praise the LORD, you his angels, you mighty ones who do his bidding, who obey his word.
21 Praise the LORD, all his heavenly hosts, you his servants who do his will.
22 Praise the LORD, all his works everywhere in his dominion. Praise the LORD, O my soul.

Psalm 103 talk about you and God, Psalm 104 talk about God and its creation

Let us read Psalm 104 and praise the Lord according to that psalm

Psalm 104: 1-35

1 Praise the LORD, O my soul. O LORD my God, you are very great; you are clothed with splendor and majesty.

2 He wraps himself in light as with a garment; he stretches out the heavens like a tent

3 and lays the beams of his upper chambers on their waters. He makes the clouds his chariot and rides on the wings of the wind.

4 He makes winds his messengers, flames of fire his servants.

5 He set the earth on its foundations; it can never be moved.

6 You covered it with the deep as with a garment; the waters stood above the mountains.

7 But at your rebuke the waters fled, at the sound of your thunder they took to flight;

8 they flowed over the mountains, they went down into the valleys, to the place you assigned for them.

9 You set a boundary they cannot cross; never again will they cover the earth.

10 He makes springs pour water into the ravines; it flows between the mountains.

11 They give water to all the beasts of the field; the wild donkeys quench their thirst.

12 The birds of the air nest by the waters; they sing among the branches.

13 He waters the mountains from his upper chambers; the earth is satisfied by the fruit of his work.

14 He makes grass grow for the cattle, and plants for man to cultivate-- bringing forth food from the earth:

15 wine that gladdens the heart of man, oil to make his face shine, and bread that sustains his heart.

16 The trees of the LORD are well watered, the cedars of Lebanon that he planted.

17 There the birds make their nests; the stork has its home in the pine trees.

18 The high mountains belong to the wild goats; the crags are a refuge for the coney.

19 The moon marks off the seasons, and the sun knows when to go down.

20 You bring darkness, it becomes night, and all the beasts of the forest prowl.

21 The lions roar for their prey and seek their food from God.

22 The sun rises, and they steal away; they return and lie down in their dens.

23 Then man goes out to his work, to his labor until evening.

24 How many are your works, O LORD! In wisdom you made them all; the earth is full of your creatures.

25 There is the sea, vast and spacious, teeming with creatures beyond number-- living things both large and small.

26 There the ships go to and fro, and the leviathan, which you formed to frolic there.

27 These all look to you to give them their food at the proper time.

28 When you give it to them, they gather it up; when you open your hand, they are satisfied with good things.

29 When you hide your face, they are terrified; when you take away their breath, they die and return to the dust.

30 When you send your Spirit, they are created, and you renew the face of the earth.

31 May the glory of the LORD endure forever; may the LORD rejoice in his works--

32 he who looks at the earth, and it trembles, who touches the mountains, and they smoke.

33 I will sing to the LORD all my life; I will sing praise to my God as long as I live.

34 May my meditation be pleasing to him, as I rejoice in the LORD.

35 But may sinners vanish from the earth and the wicked be no more. Praise the LORD, O my soul. Praise the LORD.

Song :

- Dieu tout Puisant

Psalm 105

It is Israel praising God for his goodness and his faithfulness to them as a nation.

Give thanks to the LORD, call on his name; make known among the nations what he has done.
2 Sing to him, sing praise to him; tell of all his wonderful acts.
3 Glory in his holy name; let the hearts of those who seek the LORD rejoice.
4 Look to the LORD and his strength; seek his face always.
5 Remember the wonders he has done, his miracles, and the judgments he pronounced,
6 O descendants of Abraham his servant, O sons of Jacob, his chosen ones.
7 He is the LORD our God; his judgments are in all the earth.
8 He remembers his covenant forever, the word he commanded, for a thousand generations,
9 the covenant he made with Abraham, the oath he swore to Isaac.
10 He confirmed it to Jacob as a decree, to Israel as an everlasting covenant:
11 To you I will give the land of Canaan as the portion you will inherit.
12 When they were but few in number, few indeed, and strangers in it,
13 they wandered from nation to nation, from one kingdom to another.
14 He allowed no one to oppress them; for their sake he rebuked kings:
15 Do not touch my anointed ones; do my prophets no harm.
16 He called down famine on the land and destroyed all their supplies of food;
17 and he sent a man before them-- Joseph, sold as a slave.
18 They bruised his feet with shackles, his neck was put in irons,
19 till what he foretold came to pass, till the word of the LORD proved him true.
20 The king sent and released him, the ruler of peoples set him free.
21 He made him master of his household, ruler over all he possessed,
22 to instruct his princes as he pleased and teach his elders wisdom.
23 Then Israel entered Egypt; Jacob lived as an alien in the land of Ham.
24 The LORD made his people very fruitful; he made them too numerous for their foes,
25 whose hearts he turned to hate his people, to conspire against his servants.
26 He sent Moses his servant, and Aaron, whom he had chosen.
27 They performed his miraculous signs among them, his wonders in the land of Ham.
28 He sent darkness and made the land dark-- for had they not rebelled against his words?
29 He turned their waters into blood, causing their fish to die.
30 Their land teemed with frogs, which went up into the bedrooms of their rulers.
31 He spoke, and there came swarms of flies, and gnats throughout their country.
32 He turned their rain into hail, with lightning throughout their land;
33 he struck down their vines and fig trees and shattered the trees of their country.
34 He spoke, and the locusts came, grasshoppers without number;
35 they ate up every green thing in their land, ate up the produce of their soil.
36 Then he struck down all the firstborn in their land, the first fruits of all their manhood.
37 He brought out Israel, laden with silver and gold, and from among their tribes no one faltered.
38 Egypt was glad when they left, because dread of Israel had fallen on them.
39 He spread out a cloud as a covering, and a fire to give light at night.
40 They asked, and he brought them quail and satisfied them with the bread of heaven.
41 He opened the rock, and water gushed out; like a river it flowed in the desert.
42 For he remembered his holy promise given to his servant Abraham.
43 He brought out his people with rejoicing, his chosen ones with shouts of joy;
44 he gave them the lands of the nations, and they fell heir to what others had toiled for--
45 that they might keep his precepts and observe his laws. Praise the LORD.

When an evil spirit comes out of a man, it goes through arid places seeking rest and does not find it. Then it says, 'I will return to the house I left.'

When it arrives, it finds the house swept clean and put in order.

Then it goes and takes seven other spirits more wicked than itself, and they go in and live there. And the final condition of that man is worse than the first.

BROTHER THEODORE ANDOSEH/BROTHER ARMAND AKAMBA

Joshua 6:1-2

1 Again the Israelites did evil in the eyes of the LORD, and for seven years he gave them into the hands of the Midianites.

2 **Because** the power of Midian was so oppressive, the Israelites prepared shelters for themselves in mountain clefts, caves and strongholds

When I was reading the bible this morning, I was arrested by contradictions, a city that has been given with the gates that are barred. Closed doors but with a land that had been given. It seems like a contradiction, that God had given a land, but the doors are closed, and sealed, a contradiction between appearances and spiritual reality. The reality was that God had given them the land, the appearance was that before them was a city that was barred.

How many things had God given to us that do not appear that they had been given?

If we are going to function by empirical evidences, i.e. what our eyes can see, what we can touch, how are we going to obey God? I was shaken that a land can be totally given but the doors look closed. And it brought my mind to all that we have been proclaiming about overthrowing of principalities and powers. I now see we don't believe that the satanic prince of Islam had been overthrown, because when we see the external agitation, the radicalisation, it appears as if things are just closed. God can give but the things look inaccessible.

Will you believe God or will you believe your eyes?

When I stop to look about it, the Lord encouraged me that He wanted to encourage us about the proclamations we have been doing.

In proclamation, we are declaring the truth from God's side of it that was the instruction that God gave to Joshua, they were to blow the trumpet, the blowing of the trumpet was proclamation. Trumpet blowing are proclamations, Jericho was conquered by proclamations, not by war. God had done something in the spiritual, the people of God were told to just keep proclaiming it, proclaiming it till they get it. So I suddenly realize that the proclamation take a seriousness in my eyes that I did not know. So that the satanic prince of Hinduism have been overthrown and do it until the wall crumble. It brought me encouragement, when I thought about the barring of Jericho, there are many decrees that are being made by world leaders in spite of what God has said. Jericho was barred, but Jericho had been delivered. The king of Jericho commanded that they gates should be sealed, against the Israelites. There are many nations that are closing immigration doors, by feeble decrees, in spite of what God has done.

The people of God are to know what God has done and proclaim it, and proclaim it. There are policies and there are decrees that appear to contradict what God has done.

I want us to decide that we shall take side with God and proclaim God's truth, and proclaim it until there are physical evidences. There are many things, the ministry of proclamation, it is taking side with God. Proclamation is taking side with God. We are called to make proclamations, to declare God's truths, regardless of appearance.

But at a personal level, has God told you that He has given you something and when the thing is not working, you decide not to believe, you doubt it? you believe the gates more than you believe God.

- Thank the Lord for Joshua. To carry three million people, to be going round a city because you are the only one who heard God said that He has given you the city. Day 1 not one crack on the wall Day 2 you carry 3 million people and say "God said He has given us this city, let's just march round" what if one of your general asked you: "In the history of the Bible, did Moses marched round a city? Where did you learn it?" How will you answer? How will you proof? How will demonstrate that it could work?
- Some brethren to thank the Lord for Joshua's faith.

On ne proclame pas à cause de ce que Dieu va faire, on proclame à cause de ce que Dieu a déjà fait .

When it comes to our own history as a people, in the overthrow of principalities and powers, God had told Brother Zach: "the satanic princes have been overthrown", after all the fasting and prayers, are we going to believe and obey or waste our time watching the city? If the Israelites had not obeyed, there would have been no evidence of what God had said and they would have thought that Joshua lied, they only had to obey, their disobedience would have proved that Joshua lied.

If God uses a leader and proclaim something, those who disobey are committed to prove that God had lied, or to prove that he is a false leader. When God has proclaimed a truth through a leader, you can be a messenger of the devil by leading people to disobey, proving that the leader is a false leader. All Israel had to do, to prove Joshua was a false prophet was to disobey. We can transform the proclamations of a leader who had genuinely heard God into emptiness by disobeying, we can let the world fall to the ground by disobedience, only those who obey can find out whether what God said was true.

When the Lord told us that we should obey the Santa Cruz prophecy and that those who have backslidden will be restored, that many will be filled with the Holy Spirit on the pathway of obedience of the Santa Cruz prophecy, that our families and our personal problems will be taken care of as we obey, why did many not obey to see whether it will work or not? Why did you not obey to see whether it will work or not? Today you may say you have many problems, you are right, God said we have problems but He told us what to do, what didn't you obey? I want to confess that those who obeyed have proven that

God's word was true. I obeyed. Even financially, I cannot explain the kind of blessings I have received; and I have been watching other believers, because there are those who think that it is when you are the leader that you are blessed. I was watching Alphonse because when we came here he was a stingy "bamille", but God had blessed him, even my share of blessings that he sent to me can pay many of you, just be going out and preach the Gospel as God said. Those who obey, their children are going right with God. Is it not that they didn't have problems like many other people? They had and they have. But what God told us in the Santa Cruz prophecy is what Jesus said "Seek first the Kingdom of God and your personal cares will be met" Free God to care for you. Mind God's business so that God can mind your business, just give God a chance, not by your needs, but by your consecration. Give God a chance, all men have needs, but give God a chance. Not by your needs, but by your consecration, by being committed to God's things. Take the risk of just minding God's business and see what He will do of you. Why not give God a chance to fail? If He can fail!

If I was to tell you how God has blessed me financially, you will faint.

- Ten people pray that the people in CMFI believe what God told them through their leader.

Jean Paul is now:

- A church planter
 - A manager of Hope clinic
 - A manager of principal school
- The former missionary there in Nomedjoh gave him a gift of a big house at 1 million.

Some people from Brazil gave his hospital a solar fridge, you cannot buy it. It is a fridge and freezer that operate with sun light, you cannot buy it. It is not less than 7, 5 million.

The brethren who came are not part of our ministry, the brother who was here have a disciple among the pygmies, he came and saw what Jean Paul was doing and went back to encourage him and he wrote to us. They had sent money, and I don't take the blessings of my co-workers so that I may be the leader, I want all of you to be big, just make sure that you obey so that God may bless you. Today, they install on his house a technology that will allow him to receive calls. They gave him a new motorcycle.

The issue is not the motorcycle.

With his missionary allowance, how would he have built a house that needs 15 million to be built? Was he looking for a house? Did he send these people from the US to come and visit their missionary and see his work? Or to touch their heart to do something for him instead of their missionary? No! you cannot tell. how a young boy have become a bigger leader more than you his leader here in Bertoua.

When you obey the Lord, it does not matter where you are. God knows whether you are a crook or not. We are to believe what the leader had proclaimed as God's position. I am saying: "God said to Joshua", I am talking

about what God said through a leader, now you wrap it to give it a bad package so that those who hate us can now have weapons to shut us

The Lord says some of those who start obeying Santa Cruz will see results after 500 people, others after preaching to 1000 people, why don't you persevere till you see results?

But this night, that is not the major burden. I think in our ministry, God had proven over and over, at least the few who obeyed in a sustain way, they don't doubt what God has done.

When I think about the missionaries, those who have disobeyed God, some of them are the biggest problems that we have now in the ministry, they are broken in body, body in health, their children are broken morally, and deep inside many of them, they believe that it is something because they became missionaries, they don't realise that it is a judgement because of disobedience, that God told them what to do and they did not do it and now they are harvesting the fruits of their ways. There is a lot of sorrow, there is a lot of pains, there is a lot of sickness, there is a lot of brokenness, there is a lot of pains, because we spoiled God's things. Many have brought problems to their children because of disobedience. Many have wreck their health because of disobedience and now they watch everybody, they are guilty but they put everybody on trial, now everybody is on trial to show whether he cares for them. Anyone who is filling abandoned in the ministry, examine your heart, examine your life, even if you got the whole ministry love you, who can remove God from dealing with you for disobeying? Like proverbs 19:3: says "a man goes astray then he rages against the Lord. Many people are becoming like this man in proverbs, your own folly brings you ruin, but you will not repent, you blame everybody, even God by saying: "Why do you bless others and you don't bless me? are we not in the same ministry?" did some of us came to be spectators of others blessing?" God gave an open door for all of us and you choose not to believe and not to obey, and those who tried to obey, when their live is becoming different from you, you don't want to face the fact that they obey, you are not honest.

When I came down to Bertoua, for example, I carried all the leaders, I have a clear conscience. If any of you is not a big personality in the ministry today, I didn't leave you behind, I took everybody, you chose your level, you decided how much to follow, it was your choice. I closed the door to nobody, you stayed outside. Whether we have made some people "Tapis rouge" missionaries, there was no favouritism, were you there? This koume was empty, why didn't you come, you choose your leave, especially towards the Bertoua leaders, I gathered all of them and told them what we were coming down here to do, I kept no secrets, I did nothing behind your back, if some people get bless, you cannot say it was partiality. The prayer chains were there, the road to koume was opened, the work to be done here was abundant and still it is abundant, what did you want to do and somebody stopped you? You were waiting for other people to distribute the ministry. You were watching us to see what this thing will become. You had your reservations,

you wanted to see whether it will work. You didn't want to be over committed, so that you can be wise. You said: "there are many people who can care for the ministry, only I can care for my children". Who understand me? Yes you said so and God heard. Yes, you had a chance.

When a man's own folly destroys his life, he begins to blame but God, and if people can blame God, what will they do to us? Many people have chosen unbelief. The problem is that you have not thought about God, you are dealing with a church, you have not given God a chance to fail you.

My goal is not to blame you, it is that you know that we know, you have followed as much as you wanted.

Nobody locked you out, you were just waiting to see whether the boat will stabilise before you enter.

The burden is that I want us to obey the Lord in our ministry the way Joshua obeyed the Lord, I want us to blow the trumpets. The Lord told me "the satanic prince of Yaoundé have been overthrown, we need to raise a ministry of praises to offer God one thousand fast of 40 days and proclaim that the satanic prince of Yaoundé have been overthrown. We are just to keep fasting and proclaim it, this is not fasting for results, it is fasting the going round of Jericho. It is the fasting of proclamations, as a ministry of praise, lifted up to God until all the walls of Yaoundé crumble, until the tangible results are obvious, that is my burden, it is not to talk about those who did not follow, because the only sad thing is that when somebody's own choices have brought him problems, he wants everybody to take care of him and when you have wrapped everybody like a spider with accusations and you use your failure as accusations against others, when you have done all those tricks, the only thing you forget is that it is your own life. Don't play trick with your life, when you finish accusing everybody, it is your life, you will be the one to live it, and nobody will enter your skin. Tell the whole world that we are a bad ministry, but you are the one who will live it. Show everybody how we fail you, but you are the one who will live it. Nobody is ever bless with the money he steals and no money stolen from you can ever make you poor. Nothing stolen from you can make you poor and nothing stolen from you can make the person who stole rich. The person who stole will bite his own finger. Nobody can ruin you by cheating you and nobody can suddenly grow rich by cheating another person, it does not work. To be bitter about the people who have cheated you is a waste of time if you walk with God, provided you have God. Our ministry can never be poor because of those who want to cheat and nobody can take money from the ministry by any ungodly method and it becomes a blessing for him. You have forgotten that you are dealing with God.

On finit pire que quand on avait commencési on commence mal, parce que il y a un Dieu au ciel, au cas où on a oublié

If you have been playing this trick, I want you to repent, genuinely from your heart. If you have not work with God, if you have received unrighteous money at the expense of those who believed you, if you have used the Name of God to cover your laziness and wickedness, if you look at your life and what God has gotten from your life is not the equivalent of what He put inside, that is

between you and God, look at the ministry, if the ministry have given you more than the service he had received from you, you are a crook, you cannot be bless in the ministry. Other contribute to the ministry, you are a paid member. Anyone who loves the Lord has a fight inside his heart: to pour out for Jesus more than what is being pour into him. But to come into the ministry, come to work in the afternoon, have no hours of work, receive and allowance and complain, your own life will judge you. You are living in such a way as if you are the one who had employed yourself. You ought to serve the Lord, better that you will demand your own house boy to do towards you. If you had a servant, would you allow the servant to come when he likes? When you servant has a wife who is pregnant, would you allow the servant to stay and carry the wife to the hospital without telling you?

I don't control people but it is not foolishness. You can take advantage of people but have you calculated what you will lose?

- Pray that God will enable us to take the proclamation on the overthrown of principalities and powers seriously
- Pray that the Lord will enable us to raise 1000 fast is Yaoundé affirming that the prince of Yaoundé is overthrown until the walls have fallen

Yaoundé is our ministry first born, if we lose Yaoundé, what is the future of other towns? The young churches we are now planting, how many of them are receiving the care that Brother Zach gave to Yaoundé, the church now claim to be committed to World Conquest , how many of them have sacrificed what Yaoundé have sacrificed? It is important for us not to lose Yaoundé, it is the first born of this ministry

- Pray that the Lord will enable us to raise 1000 fast of 40 day of praise and thanksgiving, proclaiming that the satanic prince of Yaoundé have been overthrown, until we enter into possession of the harvest.
- Pray that the Lord will enable us to raise 1000 fast of 40 day of praise and thanksgiving, proclaiming that the satanic prince of Douala have been overthrown, until we enter into possession of the harvest.
- Pray that the Lord will enable us to raise 1000 fast of 40 day of praise and thanksgiving, proclaiming that the satanic prince of Cameroon have been overthrown, until we enter into possession of the harvest.
- Pray that the Lord will enable us to raise 1000 fast of 40 day of praise and thanksgiving, proclaiming that the satanic prince of former Communist lands have been overthrown, until we enter into possession of the harvest.
- Proclaim that we will offer God 1000 fasts of proclamation that the satanic prince of Hinduism have been overthrown, until the walls crumble and we harvest all that our ministry will harvest.
- Proclaim that we will offer God 1000 fasts of proclamation that the satanic prince of Buddhism have been overthrown, until the walls crumble and we harvest all that our ministry will harvest

- Pray that God will give us those who will lead the battles of proclamations and praises for
 - Yaoundé
 - Douala
 - Cameroon
 - Buddhism
 - Hinduism

For that, we need ministers of prayer and fasting
