BROTHER THEODORE ANDOSEH/BROTHER ARMAND AKAMBA

- If you are very happy, stand up and thank the Lord who reigns

When Brother Moses Ajime was talking about thanking God about the teaching on giving, I was summarizing it in my head, I ask myself what do we teach? What is our teaching about money?

We teach that the brethren should learn to give to God sacrificially and faithfully, out of their love and knowledge of God. That is what we have taught over the years. There are many things that are associated with sacrificial giving to God.

Towards God, giving sacrificially is a way of encountering God, that is Solomon greatest point of encounter with God, he gave sacrificially to God and God appeared to him. Sacrificial giving is to target the heart of God

There is an aspect of sacrificial giving that Brother Zach taught us a lot at the beginning and we have not write about it and it has faded and eclipsed: it is that sacrificial giving to God prophesies the future. When God called Abraham and promised Abraham a very great future, Abraham gradually learnt to give sacrificially to God and so open up the fulfilment of those promises. One of the tests for Abraham was when he gave his son, by giving sacrificially, Abraham was guaranteeing all the promises that God made to him. So sacrificial giving is prophetic, it opens the future. Take it this way: you must empty your hands to take what God has for you, you can't hold on to all that you have and then still take what God gives you, so there is always a choice, the security of holding on to what you already have, or letting it go to receive what God has for you, there is always a choice, that choice is called "Faith". WE HAVE TO WRITE ABOUT SACRIFICIAL GIVING.

We teach that believers should give sacrificially, we even teach the churches in any nation that gives sacrificially prophesies the future for the prosperity of that nation. "It is most blessed to give than to receive". It applies to individuals, it applies to churches, it applies to nations. We also teach that believers should live simply. Believers should be frugal. Simplicity is not just about religion, simplicity affects personality. Those who live simply think clearly. Sophisticated thoughts come from a confused lifestyle. There is an American thinker, Jean Jacques Torro, he abandoned the city and went to a village farm without electricity, furniture, in order to carry water, cook the food in order that he may have the freedom to think clearly, he knew that the simple lifestyle was necessary for mental clarity. Pythagoras believes that nobody can understand geometric without fasting, because he said it will require a 40 days fast to remove all the impurity of the mind, so in Pythagoras class, every student was required to make a 40 days fast to be admitted in his class. Jimmy Cliff the musician said nobody can compose song that have depth and touch the mind of man without fasting, so he fasted twice a week. They were not fasting for spiritual power, they wanted a simple mind. . So a simple lifestyle affects your mind. When your room is

crowded, your box is crowded, when your kitchen is crowded, your store crowded, anyway I am sure you cannot be a Bible teacher. It takes simplicity to be a Bible teacher. A lot of simplicity, simplicity in eating, simplicity in dressing, simplicity in possession, it takes simplicity to understand the Word and to understand man. So we teach in our ministry that believers should live simply. It has also been discovered that in civilization where people have simple lifestyle in eating, they have a long life span. People who eat one kind of food live longer than those who eat variety daily. God did not make the human being for too much variety, He did not intended that you have variety of wives, he intended one for you. That one, every Christian knows that you cannot have variety of wives. Stay with one or none. You are permitted to stay with none or stay with one. For all that touches the body, simplicity is required. In clothing, in eating, there should be simplicity. In sleeping, everything that touches the human body, to minimize it is best for the body. All that concerns the body, sex, food, clothing, sleep, simplicity helps. In the world, they say variety is the spice of life, but man is not constituted like that, and God is not like that. The God who created everything is simple. God reveals that His house on earth should be a tabernacle, a tent. To David and Solomon, to glorify God you should have a big temple, look at the simplicity that is in God perfect Will and the sophistication in that which man wants to use to glorify God, and you begin to have an idea, how God like simplicity. Men built temples, God demands tabernacle, simple things. So we teach the believer the godliness of simplicity, it will affect their personality, it will make them better people.

We teach that believers should give sacrificially, we teach believers to live simply, we teach believers to invest wisely, we teach believers to save for the future, believers should be generous in giving to others and we teach that believers should be generous, believers should be magnanimous towards the poor and underprivileged.

Towards God, give sacrificially, with regard to yourself, live simply, with regard to your personal responsibilities invest wise, in managing the future, save. It was God who told Joseph to use the saving to spare the future. God's revelation to handle economic crisis for Egypt and the Middle East, heavens economic plans for handling crisis was saving. When Brother Zach wanted the believer to save and connect the believers to the heaven economic, some worldly leaders believe that you cannot have a banking policy without a credit policy, so they connect close to 8000 believers in our community who had saved to the world. Even recent trends in banking, the HSBC manual wants to come back to a saving policy. Saving saved Egypt from economic collapse; believers should save. If you don't believe in saving, then the wisdom of Joseph is devilish, because the wisdom that God gave him was just to teach saving and it saved the land. Saving is more an issue of discipline than amount. That is a summary of what we are going to teach and write relating to what God taught us about money.

Give sacrificially to God: mark yourself there

Live simply: mark yourself there

Investing wisely, you should mark yourself there,

Save faithfully: mark yourself there

Give generously to your wife, to your children, to your relations, to your disciples, to the brethren, to your neighbours, to the poor and to strangers, to your friends and your enemies. You should give generously to your enemies, if your enemy is hungry, feed him. You should pray that God will grant you the privilege to give to some of your enemies every year. I pray it and God always answer such prayer very fast.

- Pray that we will teach of these aspect very clearly, this is pastoral teaching, this is what pastors ought to teach, in improving the lives of their people.
- Pray that we will teach these things very clearly and improve the financial education of the churches.

Money is a window into the hearts of men. Money is a terrible revelation of man's heart. Even a child, you can know the child. If you take three children and give 1000 to each, they will use it differently. One will take it and run rapidly and give it to the mother, another will take it and go and keep it, another will take it and immediately tell you what to buy for her, another will take it and divide it, so money reveals a man. It is a domain not to walk into.

- Pray that the Lord will bless our people with the power to handle money, especially the leaders.

En tant que missionnaire, bénédiction veut dire que Dieu multiplie. Quand un missionnaire commence à penser qu'il n'a pas, il commence à entrer dans une vie d'où il sera difficile de le sortir. Si tu as un projet, un enfant, un besoin pour lequel tu n'as pas épargné le peu que tu as, et tu demandes à Dieu l'abondance qu'il a, pourquoi Il doit te le donner. En tant que missionnaire, tu as l'obligation d'épargner. Là où tu n'as pas donné Dieu ne peut pas donner, c'est ce que veut dire : « Qu'il te soit fait selon ta foi ». Dieu n'est pas engagé ce à quoi tu n'es pas engagé
Un principe dans la provision de Dieu est que Dieu ne donne pas à un projet pour lequel tu n'as rien donné

If you don't have saving, you are sinning and you are not in the ministry of Brother Zach. Saving prepare for spiritual leadership, the leader who does not save will one day commit a scandal or fail as a leader. If you don't save, when your children grow up, you will carry the shame of begging other people to help you in the name of God, it is lack of dignity, saving is preparation for leadership. Saving is preparing for leadership, a crisis will come where you will be either force to become like Nigerian pastors or beg, but if you save, I know that the God of heaven will provide, if the need is legitimate.

- Ask the lord that you should save, and not only save put to invest wisely.

Mark 16: 20

One of the mark of God supernatural intervention is God accompanying those who go out to preach. In this passage, those who went out to preach, God confirmed His message, with signs and miracles.

Acts 11: 20-21

The hand of the Lord was with them.

There is the divine element that accompany those who go out to preach. The Lord went with them. The hand of the Lord was with them.

Acts 4:29-31

The disciples asked the Lord for His hand. They asked for the hand of God to accompany the preaching of the Gospel. And those who went down to Antioch, the bible tells us that the hand of the Lord was with them.

1 Peter 1: 12

Those who go out to preach the Gospel, there is the divine factor accompanying them.

We are to ask for it like the apostles asked.

- Pray and ask that the Hand of God will accompany all those who go out and preach as the Lord commanded us through Santa Cruz. I want the divine element to accompany all those who go out to preach.

The Lord Jesus said: "Go and preach the gospel And though I am with you"

There is the promise of His Presence, the promise of His Power, the promise of His Hand and in the Santa Cruz prophecy particularly, the Lord promised that those who go out to preach and heal the sick, He will go with them.

I want us to pray that the Hand of God will accompany those who go out to preach, the Power of God given to those who go out to preach, the unusual manifestation of God's Hand accompanying those who go out to preach in our ministry, at different levels. I have taken just one level, the Hand of God accompanying all the believers who go out to preach.

There is another level, the Bible says that when the apostles in Jerusalem announced the resurrection, preached the Gospel, that the Hand of God was with them to perform unusual miracles. So there is the Hand of God that follows all believers. And there is the promotions even on those who are missionaries, those who are leaders in a new dimensions of spiritual power as they preach the Gospel. The divine factor, the Power of God, the Presence of Christ, miracles, signs, wonders, with those who are actively preaching the Gospel. The Hand of God accompanying those who are actively preaching the Gospel.

- Pray that as a result of this fast that God will stretch out His Hand to accompany those who obey Santa Cruz, to perform miracles, to save large numbers of people.
- That the Lord will condescend to accept this fast and extend His Hand to accompany those who are preaching the Gospel. We just want to ask that the unusual Power and Presence of God will accompany those who are obeying Santa Cruz.

Praying for the hand of God was something that the early church did. They prayed for the Hand of God and God answered them.

- Let us pray together that God will stretch out his hand to accompany those who obey Santa Cruz, so that unusual miracles will be accomplished.
- Pray that all the leaders and missionaries in our ministry will enter a new dimension of ministry. That they will minister in the supernatural, in the miraculous, that they will operate in a completely different dimension, not in the dimension of logic and human wisdom.
- Pray that in the ministry of our leaders, men will encounter the Presence of God, the Power of God, the Hand of God.
- Let us pray that the Lord will stretch out his Hand over our leaders, so that they will begin to minister in a completely different dimension.

Acts 2:43

Acts 4: 33

Acts 5:12

Acts 6:8

Acts 8:6

The leaders in the church operated in the supernatural. They operated in the miraculous. God can do it for our leaders.

I want to beg you during this fast, to truly cry out to God that your life will stop being just what it has been all along. For those who are leaders, plead with the Lord, so that you may start ministering in the supernatural and in the miraculous. We want the supernatural and the miraculous to become normal in the ministry. That is what it took for those large numbers in the New Testament. That was part of what brought in the large numbers in the New Testament, and that is what it will take.

Praise the Lord!

- Pray that the Lord will push many people who have dropped from coming to the prayer crusade to return.
- Pray that God will revive those who have dropped off.
