BROTHER THEODORE ANDOSEH/BROTHER ARMAND AKAMBA

- One after the other, if you have been encouraged, come and thank the Lord for what has encouraged you are is encouraging you.

THE POWER OF THE MAN'S ALL

There is that which we must do in serving the Lord. The Psalmist says "Lord, establish for us the work of our hands" we must labor. There are nine basic aspects that depend on man, which Brother Zach had taught over and over the years, as human responsibility.

- Vision is human responsibility. If some do not see, it is not to God's fault. Vision, burden, purpose, is human responsibility
- Planning is human responsibility
- Hard work is human responsibility
- Sacrifice for the goal and for God is human responsibility
- Suffering for the goal and for God is human responsibility. If God gives you a goal, if God gives you a call, every call from God, there is a budget of suffering attached to it. And the suffering tied to every call is peculiar. For some of us, slander, lies, persecutions, misinterpretations, betrayals. If God calls you to the place of prayer, the sufferings that are tied to your call are different from the sufferings of the person called to leadership. At the place of prayer, you may endure loneliness. You will certainly know anguish of conscience, because living continuously near God and maintaining communion is extremely strenuous, and of course, patience. The burdens of others. To be called to prayer, is to be called by God to go and carry people's problems instead of leaving their problems, you are not free to be selfish. But to every call, there is a price attached to it. If God calls you to be a co-worker, you will have to suffer, obedience to authority, a life under control. If you embrace the call to be co-worker and you also want to embrace the liberty or independence, you are a hypocrite. Don't hold a form of religion and deny it. To be somebody's co-worker, to be a helper, to be a servant, requires that you live respecting the will of another. You have to live with another, and it involves sufferings. To make as if it is extraordinary for you, you have to obey, if you live as a leader and nobody should be talking to you, you are a self-contradiction, you are amphibious, you have no identity, you are lost in transit, purgatorial existence, you are limbo. You have no color, you are grey. You have no nationality, you live in the border. Something is wrong with you. To every call, there is corresponding suffering. If you embrace the call, you embrace the sufferings that go with it. When you are somebody co-workers, you have chosen a life, you have accepted a call that means that somebody will command you, if you don't want it, you can be free but drop the call. So sufferings, and by sufferings I don't mean fasting, I don't put fasting under sufferings, fasting is under sacrifices, because you voluntarily chose it. If you cannot work under the identity of somebody, you are not a helper.
- Faith is part of human responsibility. There are the practical dimensions of faith: like courage which is the faith that does not give up. Another practical manifestation of faith is boldness. Nobody finish any project from God

without faith and faith needs boldness and courage means that you are pressing in spite of many things that encourage you to give up. Living by faith and serving God by faith requires courage. It means you press on with what God told you even when there seems to be no immediate results. All this many discouragements, is a sin of unbelief. You have no choice but to go ahead because you know that, that is God's will. Will you have any choice than to go ahead? Discouragement means you have many alternatives, you don't know God's will. And faith means boldness. Indecision, reservation, hesitations, those are just manifestations of unbelief, doubt. Faith is human responsibility, God will not believe for you. God will never believe for anybody. And faith will require that you exercise courage, that you exercise boldness, that you act, that you persevere, that you finish. Faith is human responsibility, boldness is human responsibility, those are the things that depends on us. Those are the things that God will not come and do for anyone of us. "My just one shall live by faith" God righteous people live by faith, that means you will take decisions, you will take risks, you will be courageous and bold. Faith is part of human responsibilities. So vision is human responsibility.

Compassion is human responsibility. I have use compassion instead of burden. It is your responsibility to know the needs, because nobody can have compassion who lacks knowledge. If you don't know the facts about anything, you will not have the burden. If you don't know a man, you will not have a burden for him. It is human responsibility to have compassion, because you choose to know the facts and that is what is called burden. A life of superficiality, of neither knowledge of God, nor man, nor human needs, secured in the cocoon of egocentrism, you have chosen a life without compassion, a monastic life conveniently lived away from the needs of men. Compassion is human responsibility. Hard work is human responsibility. Discipline is human responsibility. Suffering is human responsibility, sacrifice is human responsibility, faith is human responsibility, obedience is human responsibility.

- Empowerment is human responsibility
- Prayer is human responsibility
- Holiness is human responsibility
- Purity is human responsibility
- Love is human responsibility. We choose the way of love. You can choose the way of selfishness. Ten thousand daily of thinking about yourself is the results of the selfish choice you have made. Some people are not created having more love than others. We all have deep selfishness, the cross of Jesus have been suffered to all of us, we all feel suffering when we die, some choose it for Jesus' sake and they grow on the way of love. Some reject it and they are a bundle of bitterness and smallness. The way of love is human responsibility. You can choose to look at people with the eyes of Jesus or look at them with the eyes of pride. You can remember God and talk to your wife as a Christian or forget God and talk to her on the basis of your frustrations. Ten thousand such choices and you are who you are. Some

have walked the way of the Lord, you choose the way of self, it was not God who choose it for you. Every one chooses, that is why some are the way they are and some are different.

Nobody can face his human responsibility without having the divine commitment. It is automatic, that if I embrace my responsibility, I will have the divine commitment.

- Thank the Lord for faithful teaching, that when a man puts in his all, he triggers God's all as a divine principle demonstrated on the Cross. There the Lord Jesus poured out His all and God responded with God's all. The Cross was man's all and Pentecost was God's all.

2 Samuel 23: 9-12

C'est Dieu qui sait à quel point tu as donné ton tout.

God is waiting for you to bleed. Eliezer, did he bleed? Yes. That is the power of a man's all. Brother Zach kept talking about it. Those who can pray all night, they come and then they withdraw to go an sleep, they imitate others, those who can fast 21 days, they fast 10 days, those who have been blessed by God with natural energy, they compare themselves with those who don't have physical energy and they do a little and leave, because they can do more than others, as if God does not know how much they can do, as if God does not know how far they can go, a terribly life of always comparing to others when you do not know what God gave them, you are lying before the God of heaven who knows. You are not the one to mark yourself, it is God who marks you. God knows.

- Pray that God will raise in our ministry many people that trigger the all of God by the investment of their all.

That is the one thing we have been battling with for the last 20 years
During this fast we are crying out to God for the divine factor to enable us accomplish the goal, especially the immediate goal of the phase 2.

Another thing that God has always done in helping his servant to accomplish their ministry: The Hand of God on some of his servants. I have titled it: THE GIFT OF FAME

Joshua 6:27

Joshua 9:1-2

Matthew 4:24

It was God who spread the ministry of Jesus. Look at the wide circumscription, God was with Joshua and his fame spread. There is a looking for fame which is evil, but there is that which God does'. There is the gift of celebrity. When God decided that something is wonderful, God decides Himself to spread it,

Matthew 9:26
Mark 1:28
Luke 2: 17-18
Luke 4:14
Luke 4:36-37
Luke 5:15
Acts 9:42
Acts4:16
Mark 6:14
1 Chronicles 14:17
Deuteronomy 2:25
Acts 19:20
1 King 10:1
1 Kings 10:1
1 Kings 10:7
1 Chronicles 22:5
2 chronicles 26:15
Esther 9:4
Psalms 138:2

Such passages are many, when God takes over to spread.
The gift of fame, produced by God, as the Hand of God.

Il y a ce facteur divin. Il y a ce que Dieu fait lui-même pour rendre un ministère.

There is that which God does to spread a ministry, to make a ministry accepted. To open the ears and the hearts of multitudes, because it comes from Him. The search for celebrity is evil. The marketing of one's self and achievements is evil, but there is the gift of celebrity. There is that which happen when God touches a ministry, there is that which happen when God touches a man; and you cannot imitate it.

As we pray for the Hand of God in our ministry, I want us to pray that God will explode by a supernatural hand our message and our ministry.

Romans 10:18

Their voice have gone to the ends of the earth. Their words to the ends, all over the world. That is what God can do. We are praying for what God does. And this is one of the thing that God does to approve ministries and to approve ministers. We should offer our ministry to God. It costs God very

little to make one book into a world best seller. God touched Rick Warren: "A purpose driven life" and it went the whole world. God touches David Wilkerson, one reach in that night and overnight an unknown pastor became a world known minister. Lester Sumrall was an unknown missionary in the Philippines, the catholic pastors were trying to cast out demons out of a girl unsuccessfully, he went to the radio and cast the demons out and he became the world known American minister. That is how the ministry of Lester was spread all over the world. And satan does it as well. In one go, there is that which only God can do, it cannot be explained. God could take one book in our ministry, one tract, pour His spirit on it and every last human being on this earth reads it.

- Pray that God will stretch His Hand and spread our message and our ministry all over the world, in a short time, virally

Because we cannot win people from 250 nations without it going. We cannot spread to billion and spread the message to ten billion people without that touch of God.

- Pray that God will spread our message and sent our message to every man on earth in the shortest possible time with the greatest impact
- Ask God to grant to some of our leaders the gift of celebrity. (it is a dangerous topic because there are many of our leaders who are weak headed - it is like that in many domains, there are many men, anything that has a woman's morphology can "renverser" them, he has weak head., with money, with nakedness, with fame, with appreciation, men are destroyed - the Bible says: "the man is tested by the praises) too many of us are greedy for flatteries and praises, we cannot stand that someone close to us admire another person. But how are we going to have big ministers unless God blesses them with the gift of celebrity.

Philip went down to Samaria with the gift of an evangelist, but he was able to abandon the gift of evangelist and obey God.

The gift of celebrity is given to those who are humble. They are the ones who can survive it.

I don't think I am particularly humble. But for many years now, when I heard all that God wanted to do with our ministry, I don't compare myself with Pentecostal churches. There are only three churches that I compare us with: the Catholic Church, the Muslim. Our goal is to have 1 billion, there are only four other leaders of 1 billion in this generation: President of China, President of India, Muslim community, Roman Catholic Church. Should we not compared ourselves with people in our brackets? So when we enter there, we will be only 5, so we must beat them in quality. Worse still, in the same CMFI a leader starts comparing himself with another leader, you can

only get very sorry for such people. When you listen to people you can know who they are comparing themselves with.

That is why I want all of you to be big. You are not even big enough, I want you to be big. Let us raise the water level of our ministry.

- Pray that God will bless some people in our ministry with the gift of celebrity. The only way to make a very big father is to produce outstanding sons. I want Brother Zach to be a father of leaders, not to be a leader.

You came to this world, you will just disappear like that?

- Pray that God will bless some people in our ministry with the gift of celebrity that will advance World Conquest. Not just a celebrity, because there is the celebrity that destroys.
- Stand up and pray that the Lord will strengthen us in the fast this day.
