Sanctification 2,4 Prayer topics 181 - 240

BROTHER THEODORE ANDOSEH/BROTHER ARMAND AKAMBA

- Let's ten people thank the Lord for those who finished their fast today, all over the Work
- Pray that the Lord will strengthen those who are continuing their fast, especially in the houses where some are breaking.
- Pray that the Lord will stir many people to join in the fast now
- Pray that more than 10.000 people will fast during this fast
- Pray that God will raise up 100 World Conquest teams of fasting.
 - 1 For example, sister Emilia and the World University team of fasting, to give us at least 1000 people fasting twice a year from 3 to 40 days, for the spiritual life of the entire ministry, the leaders, the churches. It is terrible battles, even the Lord Jesus Christ said: because iniquity shall abound in those days, the love of many shall grow cold. To fight the spirit of the age, it takes fasting. More and more, even if you just listen to brethren, you hardly hear many brethren repenting for sin, even when I correct people, it is less and less that you see them repent. People don't repent. There is a hardening. Not many people are laboring to walk with God. There is godlessness. To labor that there will be hunger for God. To labor for the fear of God. To labor for holiness, to labor for purity, to labor for godliness, to labor that there should be brotherly love, to labor that there should be compassion for the lost, to labor that believers should still have a sense of eternity, the spiritual life is fragile, human ideas are loud. So there is that team.
 2. There is Esther Kouonang and the World Conquest for Prayer and Fasting team for fasting: to battle for the accomplishment of the vision
 3. There is the Sama Peter Fasting and Prayer Team, where my prayer is that there will be at least 1000 people, who fast twice every year, between 3 and 40 days, to impose God's order in Cameroon and in the nations, to impose the peace of God on Cameroon and on the nations.
 4. There is the David Shu fasting team for World Conquest: to labor for the Power of God to be manifested in our ministry. My prayer is that, twice a year, at least 1000 people will fast between 3 and 40 days
 5. There the Caroline Akoa for World Conquest, my prayer is that there will be 10.000 fast of between 36 hours and 40 days, for the Presence of God in the Head Quarters and in our ministry, in everything we do.
 6. There is the Ruth Donald fasting team for World conquest: I have not given them the World Conquest objective to carry, but my prayer is that the team will invest 1000 fast of 3 to 40 days twice a year. My burden for it will

be that, I want them to pray that the leaders and our ministry will follow the Zach Fomum way of life in Christ Jesus. The alignment of the ministry to the pathway shown to us.

7. I also want the Annette Alladom fasting team for World Conquest, where at least 1000 fast of 3 to 40 are raise for God purposes for Yaoundé and through Yaoundé for World Conquest are accomplished.

8. The Lydie Tchakounte team in Douala that God purposes for Douala and through Douala for World Conquest shall be accomplished. - For example Brother Zach was praying that the church in Douala, as the Philippians" Church will give the first billion by 2017.

- There is need to be somebody to carry God's things. (there is need for somebody who will carry God's things)

- We need a Fasting Leader for a team to open the doors for our missionaries and ministry for all the nations and towns and hearts on planet earth

- We need 100 World Conquest fasting teams

10. We need a fasting team for the revival of all in CMFI

11. We need a fasting team for the Heaven send revival in our generation

- My prayer is that some of those who are graduating from the World University of Prayer will emerge. Because normally when you graduate from a university, you apply for a job. That some of those who are graduating will apply

When God has given you a ministry, when God has given you a burden, when you know the call of God in your life, you must develop professionalism, that is you must transform your call into a profession, into an excellent way of doing things. Professionalism not in a sense of stereo type and artificial things, professionalism in that you take that which God has called you to do with seriousness, that you develop and excellent way of accomplishing your call, that you transform into a serious routine manners your calling. Professionalism.

Those who lack the capacity to professionalize their call will find that they don't have something in which to put 40, 50, 60 years. When you have the curiosity to explore a forest, it is different from being a botanist. Your childish curiosity to explore a forest cannot be the curiosity of a taxonomist. The one who likes plant, when that burden become professionalize, he is a taxonomy. When somebody who likes music masters an instrument and masters the laws of music to produce music to excellent of it owns exquisite taste, he had become a professional musician. When somebody who likes helping people, goes to school an study medicine, so that he can continue to help this people in a professionalized way, then the burden to help had become a profession and that is the difference between some people in the church. Many people have some big transport of hear but they don't develop

them into an orderly way to pour their lives into and after ten years, familiarity brings content and they have nothing to occupy their hearts.

Where the call is clear, without professionalism, you will not have something to put in 50 years of your life into. After two three years, you have developed the habit of your profession, of your work, so how will you keep growing.

This World Conquest fasting team that we are praying for, those are just the first steps towards the professionalization of what God has entrusted to us. God has given us the burden; we shall love the Lord our God with all our mind. When God has already given the seminal idea, not to develop it to the extent to which you can understand it is not submission to God, it is refusal to love God with your mind. Many believe that not to think in the things of God means that you are not carnal, that thinking is carnality, if you think instead of hearing God you are carnal, but not to think after you have heard God is foolishness, the fool says in his heart there is no God. Even when God trains prophets, He wants them to think. He asked Jeremiah: what do you see? Jeremiah described what he saw and then God gave him the interpretation, then he goes to the second class, and God asked him, Jeremiah what do you see? Jeremiah explained with greater details and God teaches him new principles of prophecies and Jeremiah operated there for close to 36 chapters; and after that, God asked him again Jeremiah, what do you see? Jeremiah describes and God continues for another 24 chapters, that is why there are minor prophets and major prophets. At least the major prophets, they went through deep schooling.

If you identify the geography in the book of Isaiah, you will be astonished at the cosmic dimension of the prophet' mind. You go to Job, you find a very developed, that loving God required very developed thinking and developed understanding of the world, mineralogy, astronomy, botany, zoology, life of science, geology and mining,

- Pray that the leaders will apply professionalism to the Call of God on their lives.
- Pray that in our service to the Lord, we will apply professionalism.

How many services are in the ministry of Finance in Cameroon? Our ministry will end up bigger than the ministry of Finances, how has Cameroon arranged their ministry of finances? What does the Ministry of finances do? How do the other people who work with him do?

What has the fast done to you so far?

Who has something very clear that has happened to him during the fast and wants to testify?

- Thank the Lord for either what God has done for you in your life during this fast or just thank the Lord.

Brother Diego's departure who went to be with the Lord

It is a very good reminder for us, to do all you can for the Lord when you can, we don't control time. I don't feel pain in my heart for Diego. The young man was boiling for the Lord. He was at the best spiritually.

- Let's pray that the Lord will grant to the young church in Cuba wisdom to handle brother Diego's passing, how to relate to his family, the decisions that they need to make and how far they can be involved.

The old missionaries, they knew that when a missionary dies, God has planted a seed. They knew that a land in which missionaries have died become a land where there will be great harvest. We need to come back to spiritual reading of things. So normally, God is telling us that He has a great harvest for us in Cuba.

In Nigeria, in 1884, seven missionaries of the Sudan Inland Mission, over a period of about ten years, seven missionaries came from England, all of them died. But one of them who have been very sick and have been taken back to England, he asked for more missionaries and send them, that is the pioneer .

- Let ten people pray that the Lord will bless us with massive harvest in Cuba, because of Diego's death.
- Let 10 people pray that God will break a pagan attitude towards death, in many leaders in CMFI
- Let's pray that God will grant brother Diego only son who is in Germany to believe and enable him to join CMFI
